MESSAGE FROM THE BOARD CHAIRMAN

REV. DR. EMMANUEL KWABENA ANSAH

Prison Fellowship Ghana stands on a powerful conviction: every life matters, and every person deserves an opportunity for restoration and a new beginning. As we reach prisoners, ex-prisoners, families and vulnerable persons affected by incarceration, we are reminded that hope can transform lives and restore dignity.

Our work is not only about what happens within prison walls, but also about helping individuals and families rebuild their lives and reconnect with their communities.

We are grateful to our volunteers, partners, churches, supporters and staff whose commitment makes this ministry possible.

Together, we can reach them. Together, we can restore dignity. Together, we can strengthen families. Together, we can help build pathways to new beginnings.

May God continue to strengthen Prison Fellowship Ghana as we bring hope where it is needed most.

Behind prison walls are more than sentences, court cases and statistics. There are human beings—men and women with stories, families waiting at home, children longing for their parents, and individuals who still need to believe that their lives can have a different ending.

The vision is simple but profound: wherever there is a person affected by crime or incarceration who needs hope, there should be someone willing and equipped to reach them.

For Prison Fellowship Ghana, hope is not merely an idea. It is rooted in the person and work of Jesus Christ, who came to bring good news to the brokenhearted, liberty to those in bondage and restoration to those who have lost their way.

MESSAGE FROM THE EXECUTIVE DIRECTOR MR. EMMANUEL KWAFO OFFEI

Dear Friends and Partners,
Every day, Prison Fellowship Ghana encounters people whose lives have been deeply affected by crime and incarceration. Behind every prison record is a person, a family and a story. Our calling is to meet them with the love of Christ, practical care and the opportunity to begin again.

As a ministry, we are entering an important season of growth. We are strengthening our volunteer network, expanding our presence in prisons, improving our systems and developing stronger partnerships so that we can respond more effectively to the needs before us.

Our greatest resource is not simply what we have, but the people who are willing to serve. Volunteers, churches, professionals, donors and partners all have a role to play in bringing meaningful change to individuals and families affected by incarceration.

I invite you to journey with us. Your prayers, time, expertise, resources and encouragement can make a real difference in someone's life.

Together, we can turn moments of despair into opportunities for restoration and help create communities where people are given the chance to rebuild.

Thank you for standing with Prison Fellowship Ghana and for believing that transformation is possible and hope can be restored.

Mr. Emmanuel Kwafo Offei
Executive Director, Prison Fellowship Ghana
